

August 2021

Dear Parents,

Welcome to the Bronxville School!

The New Families Committee's job is to make your transition to the Bronxville School a pleasant one! There is a lot of information to digest as you start school. In order to manage the information flow as much as possible, we have put together this "Quick Start Guide" for new families.

We have included helpful web links that every Bronxville Family needs to have handy. Please feel free to reach out to your NFC representatives if you have any follow-up questions.

We are here to help!

Warm Regards,

The New Families Committee

# Important Websites

## The Information Hub:

The Bronxville School Community strives to be green. In that vein, they rely heavily on their websites for information distribution. You can also find the handles for their various social media channels (Facebook, Instagram, Twitter) on their websites. We would recommend adding the following web links as favorites in your browser:

- **The Bronxville School:** <https://www.bronxvilleschool.org>
  - From this page you can access District-wide news, as well as the Elementary, Middle and High School sites from this main page
- **The Bronxville School PTA:** <https://www.bronxvillepta.org>
  - So much useful information, all in one place! School news, events and calendars, as well as minutes from Council meetings and information from other school committees. Please also be sure to join the PTA – just click on ‘Become a PTA Member’, found on the top of the homepage.
  - The PTA has also listed, on their site, a whole page of useful links and Apps that are used within the school: <https://www.bronxvillepta.org/school-tools>
- **Membership Toolkit:** <https://bronxvilleptany.membershiptoolkit.com>
  - The PTA uses Membership Toolkit for the Directories, Memberships, Volunteer Signups, Email Communications and our Online Store. It also serves as the ONLY Family Directory for the school. It’s safe and free to use.
- **Bronxville After School Clubs (BASC):** <http://www.bronxvilleafterschool.org>
  - Offering a wide range of activities for ES and MS, BASC puts together a comprehensive list of fun groups meeting on Mondays, Tuesdays, Thursdays and Fridays. These specially curated programs are only open to Bronxville School students, and held on site.
- **The Bronxville School Foundation:** <https://www.bronxvilleschoolfoundation.org>
  - Through a grants program, the Foundation significantly enhances the educational experience for all students in the Bronxville School by funding important initiatives beyond the District's budget such as curriculum enhancements, faculty training, equipment and facility upgrades, and health and wellness. Learn more about what the Foundation is doing to support our children, and find out how you can help support the Foundation!

## Important Email Distribution Lists to Join:

- Visit the Village’s website and on the top right hand side you can register for their email alerts. ***E-Services - Signup for Emergency Alerts – Swift 911 Portal*** - The Chief of Police sends out email alerts when there are power outages, attempted break-ins, a random coyote, etc. <https://www.villageofbronxville.com>
- A great news and community website for Bronxville is ***“My Hometown Bronxville”*** This email comes every Wednesday morning and is a hub of Bronxville related news and vendors. <http://www.myhometownbronxville.com>

- Find out what's new in town, and get information on the Bronxville Farmers' Market, by signing up for "Chamber Chatter" a newsletter published by the Bronxville Chamber of Commerce – support our Local Merchants! <https://www.bronxvillechamber.org>
- More than just books! Our beautiful Bronxville Public Library has events, classes and even free museum passes. Check out the website to see the full list of resources available, and sign up for the monthly newsletter: <https://bronxvillelibrary.org>
