

Dear Parents,

Welcome to Kindergarten! We hope you are excited to have your children begin this special journey at Bronxville Elementary School. It is going to be a wonderful year.

Our role as your Kindergarten Chairs will be to bridge our team of amazing teachers and parent volunteers. We will work with the teachers to help plan class events, coordinate supplies, work with the class parents and send out Kindergarten specific communications. As grade chairs we are part of the PTA and serve on the Elementary School Council. Our ES Council Chair is Susan Frehse, whom you met at kindergarten orientation. The Bronxville School's Parent Teachers Association supports and organizes educational and fun student programs along with community building activities. We encourage you to sign up for the PTA and support these events through the annual dues, contributions and fundraising events. Notably, our Fall Back to School Social is a very special evening that will bring our class together and support the PTA - Save the Date for September 23rd. Additionally, the Elementary Back to School Night for parents is October 5th, where you will have the chance to visit the classroom and meet teachers.

The Bronxville PTA website has been redesigned in an easy-to-use format. Everything you need to know is accessible on the website. Below is an Elementary School Information Checklist that will help you navigate the websites and apps for all elementary school logistics. Please also remember that the children will have half days the first week of school, followed by a full day starting on September 12th.

Lastly, we are here to answer any questions you may have...no matter how small. We both have older elementary children and are happy to help you with anything you need. Do not hesitate to email us anytime and we look forward to seeing you all this year. Go Broncos!

All the Best,
